Benefits

Reduce Your To-Do List

Automate tasks, reduce admin time, and eliminate redundancies, boosting efficiency and cutting costs.

Modernize Order Management

Automate tasks, minimize errors, and seamlessly pass orders from SmartFees to Title and Closing Workflow Solutions.

Secure Your Peace of Mind

Maintain proprietary information securely with a visible audit trail.

Boost Customer Satisfaction and Loyalty

Provide a seamless, transparent loan process from prequalification to closing.

An Effortless Quote to Order Experience

Imagine revolutionizing your lending process into a seamless, end-to-end experience. Integrate SmartFees, LenderFees, and Property Tax Estimator (PTE) with CoreLogic's Title and Closing Workflow solutions. Automate fee calculations, manage lender-specific fees, estimate property taxes, and pass title orders effortlessly. Achieve operational excellence, enhancing efficiency while satisfying your customers.

SmartFees

Accurate third-party closing costs, building borrower trust.

LenderFees

Auditable lender fee management for improved accuracy.

Property Tax Estimator (PTE)

Current property tax data for smooth closings.

Title & Closing Workflow Solutions

Secure & optimized order management, enhancing customer experience.
