

MLS-Touch[®]

The most **ADVANCED** mobile app for agents

MLS-Touch is the fastest growing real estate app in the industry, designed exclusively for agents! It's the mobile extension to all your essential data including listings, property insights, and client activities.

Stay connected on-the-go

Packed with on-the-go features, MLS-Touch keeps you on top of your business, even when you're away from your desk. With its powerful and easy-to-use search tools, instant comparables and real-time market insights, MLS-Touch will empower you to grow your business and foster stronger client connections from wherever you are.

Collaborate with clients like never before

A powerful client collaboration tool, MLS-Touch helps to maximize your productivity, while keeping you seamlessly engaged with your clients and focused on your highest priority opportunities.

Easily build your database by importing your native phone contacts in a few simple steps, and you'll be connecting with your clients in no time. Send suggested listings and share your own branded app to deliver a better customer experience, keeping you top of mind.

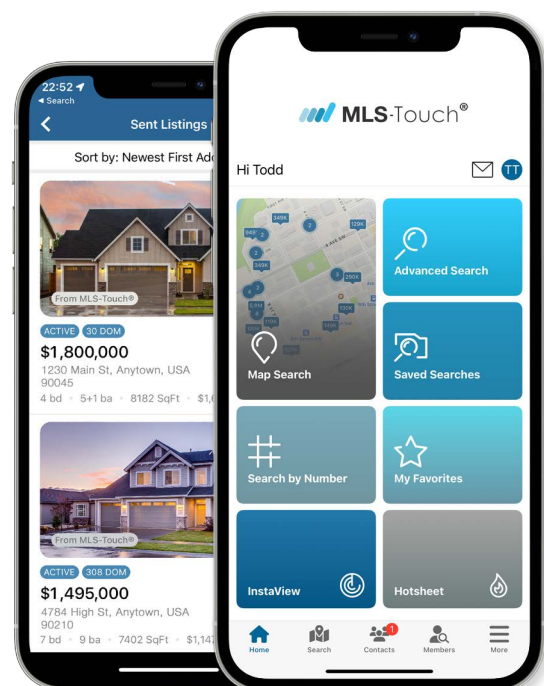

And best of all, your customer interactions and client-related activities are tracked and stored in the contact record for easy reference.

Your brand, always!

You work hard to build your business, and every touch point you have with your clients should reflect your brand. With MLS-Touch, once you set your logo & color scheme it brands your personal app, sent listings, and Facebook listing posts too. Like magic!

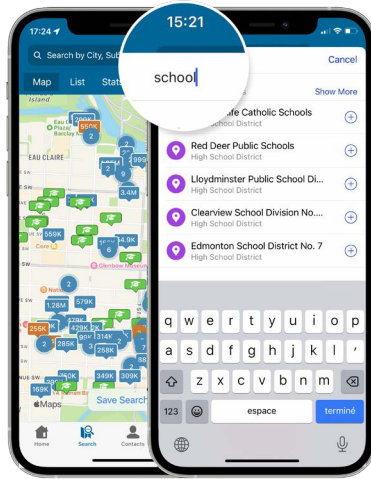

“ I couldn't ask for a better platform than the MLS-Touch app – it's a game changer. It's very user friendly and I can easily access all my listing data and client details when on the road. It makes a big difference in my day-to-day business. ”

– Heather Reichstetter,
Clocktower Realty Group
